

Crews Working to Restore All Classical Power

PORTLAND, Ore., Jan. 23, 2012—All Classical 89.9 FM, KQAC, a non-profit 24-hour classical music station serving the Pacific Northwest, announced that weather conditions in the Columbia River Gorge have taken 88.1 in Hood River and 96.3 in The Dalles off the air.

“Crews are making their way to Burdoin Mountain, but deep snow, ice and fallen trees are making the trek difficult,” stated Larry Holtz, V.P. of Technology at All Classical. Holtz added, “Replacement equipment for a failed generator and help from several community-minded individuals should get the two stations up and running soon.”

Thanks to our faithful listeners in that region who have sent messages of support.
